President's Message

MIKE KARNES

The summer is off to a great start here at the Club and I can't believe it's already July. Seems like we went straight from rain to hot weather overnight. Got to love Kentucky weather!

The results of our Membership Survey are in and we want to thank everyone who took the time to fill out the survey. We also want to thank those who participated in the focus groups. The response rate was 60% which is way above the industry average of 18 to 20%. The Board and Michael will be using these results to prioritize future projects in order to make our Club even more outstanding.

Our current membership drive, that ended June 30th, proved to be extremely successful. We currently have over 550 members. Thank you to our Membership Chairwoman, Krista Lea, and her committee for their hard work and their out of the box thinking.

June was definitely a busy month with several events being held including the Member-Guest. I would like to thank all of employees who worked hard to make that event so special. What an awesome way to showcase our Club. And remember there is

another Member-Guest scheduled for the Fall and those of us who are on the waiting list will get first shot. Congratulations to Justin Halverson and his guest Josh Wolf for winning the overall championship.

A shout out to Elliot Treece & Adam Chustz, and Andrew Baer & Justin Halverson, gross and net winners respectively, of the first annual CCP Golf and Tennis Combo Event. In addition, congratulations to the winners of the CCP Mixed Doubles Club Championship, Dr. Ross & Anne-Marie Jones and Brian & Holly Turner.

I want to thank everyone for the great response to our new Fitness/Lifestyle Shop located in the Tennis Shop. The initial reviews have been outstanding, and I know Chad is planning to add more merchandise so you might want to check in to see what is new.

Lastly, I want to thank everyone for the continued patronage our of House facilities, the new summer menu has been a great success and it is awesome to see so many people using our dining facilities.

Thanks and I hope to see you at the Club soon!

Mike

General Manager's Message

MICHAEL METHOT, CCM

It is truly amazing how fast the year is flying by. As mentioned in my last note, it feels like summer deserves a speeding ticket. June was filled with much excitement and activities highlighted by the Club Combo Championship, Flick N' Float, Milkshake Mayhem, Father's Day Brunch, Member-Guest and earlier this week, the LGA Memorial Golf Event. As we enter the hottest few months of the year, I encourage you to take full advantage of your Club offerings. We have an array of events and activities planned for the entire family, and I look forward to seeing you.

When I first announced that the Club would be doing a survey, I heard mixed reactions from the membership at large, however, I am extremely grateful for the responses and feedback we received. From the time we launched the site up until the June 18 deadline, the momentum was positive and resulted in 542 submissions or a 60% response rate. Although we fell short of my goal and a 78% completion rate, I am grateful for the support we received. The consolidated report has not yet been received, yet I can assure you that your voices will be heard, and I plan to strategically and immediately react upon anything in need of consideration.

By now I hope you and your families have had the opportunity to try some new items from our recently launched summer menu. We have received rave reviews thus far, especially the revitalized appetizers section. The plan moving forward is to do a more frequent "refresh" of menu items and keep it fresh and interesting, have you coming back to

try the next new item. Also, next week, be on the lookout for a reinvigorated wines by the glass list – whether you are considering a crisp white, sparkling rose or silky pinot noir – we have you covered. Also, a new feature we will be offering is a rotating "Wine of the Week" that will provide you an opportunity to try something out of your comfort zone each visit.

We have had an influx of new members as of late and I could not be happier for where we stand to date, a net gain of +25 and 39 new member families on the year. I often get asked how Membership is going and often, my response is great and that exciting times lie ahead. I hope to continue with this momentum, so be sure to refer a friend, neighbor, or co-worker for membership. Although the dining credit has expired as of June 30, the value of being a member remains strong and there is no better time to join the Club then now.

With the first half of the year in the rearview, and July 1 marking my three-month anniversary as your General Manager, I'm looking forward to a spectacular July highlighted by several marquee events to include Pastabilities, our annual Independence Day BBQ, Belgians + Bubbly, Member-Member Golf Tournament and finally, a Night on the French Riviera. For a complete listing of all our events, be sure to check out page 6.

In closing, I hope you continue making your summer memories at the club and as always, please let the team and I know how we can make your experience at the club "the best" possible.

Kind regards,
Michael

OFF THE TEE

Chad Martin, PGA Director of Golf

Wow, summer is finally here and we are off and running. I can't thank Ryan Mitchell, PGA, Emma Paschal, Wes Belt, and all of the outside staff for the long hours and extreme amounts of professionalism that they displayed during the Ladies Memorial, Junior Golf, Men's Night, and the Men's Member-Guest. Please give them a pat on the back the next time you see them at the Club.

If you have not yet taken advantage of the fitting and demo opportunities that are offered in the CCP Golf Shop, please stop by and give us a try. Our number of fittings has gone through the roof this season, and we would love to get the opportunity to help you improve your game. We currently offer fitting carts for woods and irons from Callaway, Taylor Made, and Titleist and have the Vokey fitting bag for wedges. We also offer demo equipment from Titleist, Callaway, XXIO, and Taylor Made. Lastly, we have launch monitor capability with the FlightScope

Tour Xi. If you are interested in new clubs or would like to check the specs on your current equipment, please keep your PGA Professionals at the CCP Golf Shop in mind.

Thank you to everyone that has supported our new Fitness / Lifestyle Shop in the Tennis Center. Please keep an eye out for new additions as we will continually be adding to the merchandise mix.

Lastly, I would like to thank our membership for the wonderful start to summer that we have had here at CCP. After a rough start to the spring season with cool temperatures and a healthy dose of rain, summer is now here and going strong. We are up in participation in pretty much all our offerings, and I cannot thank you, the member, enough for choosing to spend your time here at your Club!

Sincerely, Chad

LGA MEMORIAL TOURNAMENT

2021 Jr. Golf & Little Chippers

Congratulations to our
2021 Member-Guest Champions
Justin Halvorson & Josh Wolf!

GREEN SCENE

Shannon Watson, CGC Superintendent

As we enter the month of July, I am glad the weather has become dryer! The temperatures for the most part have been cooler than normal for most of the early summer. The early part of June had ample precipitation compared to the last two weeks of the month, which allowed us to produce some firm and fast conditions for the Member-Guest. I hope all that played in this event had a good time and enjoyed the conditions produced by our great turf staff. The team that we have is smaller in number than previous years, but has really stepped up to overcome adversity caused by a wet spring and early summer. Our team is really giving it their best and are led well by our full-time staff. If you see them working on the course, please thank them for their hard work and the effort given each day.

The month of July is a pivotal month for cultural practices on the warm season turf.

We will be aerating fairways starting July 6th. If the weather cooperates, the process should only take four days. We will be applying fertilizer either right before or right after the aerification event to supply needed energy for the healing process. The fertilizer will also help heal some of the thinner areas in the fairways caused by tree root competition, shade, and lack of drainage. Additionally, we will apply a calcium supplement to increase calcium levels. Increased calcium levels will help soil pH, nutrient availability, soil structure and overall turf vigor. Additionally, after the completion of aerification, we will be applying herbicides to the fairways to discourage the bermudagrass encroachment in the zoysiagrass turf. These applications will cause the turf to become yellow in color for a short period of time. The zoysiagrass will then have an advantage to compete against the bermudagrass.

The greens have done well this season. Our cultural and plant protectant programs keep paying off. We are topdressing lightly and spraying plant protectants, a growth regulator, and light amounts of soluble fertilizer each week. The system in place is working and I hope everyone is

enjoying the playability. Our roots in the putting greens have increased substantially in both number and depth over the past few years. This is one of the main reasons the greens are remaining firm. As we enter into July, we will have to monitor the root system closely. As I have stated before, as temperatures rise above 86 degrees, bentgrass roots stop growing. Temperatures in the 90's cause the roots to start declining rapidly. This happens every year in the transition zone. The good news is that our fertility program and acid treated irrigation water are really helping prevent the severity of root loss like in years past! Our monthly needle tine aerification to improve gas exchange is important too, as well as our wetting agent applications two times a month.

In closing as we enter the most stressful time of year for turfgrass, I would like to ask everyone to please have good course care etiquette during your round of golf. Please fix your ball marks, fill your divots with the sand provided on course, rake your footprints out of the bunkers, and follow the designated cart rules with your golf cart. By everyone doing their part, you are fulfilling your responsibility to one another and protecting the course. I hope everyone has a good Fourth of July.

See you on the course.

July Events

4th of July BBQ

Join us at the for our 4th of July celebration.
We will have a grill-out buffet along
with an ice cream bar.

Adults \$18.95 Children \$12.95
(no al a carte dining & Clubhouse closed for dinner service)

Lots of entertainment with “Corndog” along
with a tye-dye t-shirt craft for the kids!
(additional fee applies for t-shirts)

AROUND THE CLUB

Whitney Stone-Leyhue, Dining Supervisor
& Event Coordinator

We are just speeding through summer 2021! July marks my 2nd anniversary at Country Club of Paducah and I am beyond thankful to the members and staff for making it an amazing 2 years. This month we will have tons of fun activities for the members kicking off with our 4th of July BBQ. Enjoy a cocktail by the pool while the kids are entertained by DJ Corndog. I still have some open spots for our Belgians & Bubbly Breakfast. RSVP to me today to be part of our first ever Belgian waffle & mimosa bar!

July 15th we will be having a one-of-a-kind LNO with our Pretty In Pink Party. Throw on your favorite pink attire and head to the Club for a pink buffet, drinks and our first ever photo station.

IN THE KITCHEN

Michael Harlow, Executive Chef

Healthy Grilling + A Healthier You!

Coming off Member-Guest where I was out on the course grilling, I thought it would be helpful to provide a different spin on my monthly newsletter article as it relates to your time away from the Club: Healthy Grilling + A Healthier you!

We all enjoy summer, especially when it comes to grilling and we tend to do it often during the warmer months out of the year – whether it be in the comfort of your own home or elsewhere – so make sure you stay on track. Grill menus typically include laden meats, greasy burgers, and sugary cocktails. You may start to ask yourself, “How am I ever going to eat healthy and stick to my clean eating plan? If you are hosting or attending a BBQ, remember that *YOU* have control over what you are serving and eating. Be sure to grill healthy meats and offer a variety of healthy sides and accompaniments to indulge in. When playing host or going elsewhere, try to follow a few of the helpful hints listed below:

Bring something healthy: cut up fresh vegetables with hummus or savor on fruit from a local farm.

Hydrate: drink plenty of water before you go, while there and after as well. Staying hydrated will prevent you from overeating or drinking your calories. If you can make a rule to drink a glass of water between each alcoholic beverage, you

Mommy & Me will take place on July 21st which just so happens to be National Junk Food Day and I am beyond excited for this event. If you know me, you know this is right up my alley. There will be junk food themed crafts as well as an array of junk food delights on our buffet. I will even sneak in some healthy food that is so good the kids won't even notice it's good for them!

July concludes with a special Night on the French Riviera where Chef Mike will be pulling out all the stops with and cooking all your French food favorites.

As always, if you need anything don't hesitate to let us know. We value the opinions of our members. This month I have received several member emails acknowledging staff members who go above and beyond to make the member experience great. You have no idea how much these are appreciated. In a time when there's so much negativity, I love that our members choose to acknowledge good work.

will drink less and save yourself empty calories.

Take One Plate: There are often several different plates set out for you to choose from. Take one plate and use it for your appetizers, entrees, and desserts. Putting your allotted or portioned food on your plate not only allows you to manage what you are eating, but also how much of each item.

Take Your Time: Eat slowly, savor each bite and chew. The more time you take to eat, the more able your body will be to tell you when you're full and the more satisfied you will feel when you are finished your meal.

Watch the Spreads and Sauces: BBQ sauce, creamy ranch (who doesn't like Hidden Valley?!) and butter are mostly sugar, fat, sodium, and empty calories. Rather, utilize seasonings, spices, herbs, salt & pepper and make your salad dressing with a vinegar-based dressing.

Make Good Decisions: Go for the leaner meat option, i.e., chicken over beef or at least go for them both in moderation. Fill your plate with salad or veggies and if you must, eat your sandwich on an open-faced bun to eliminate some carbohydrates. Although tempting, you should try to avoid an over abundance of anything with a creamy consistency such as potato or macaroni salad and enjoy grilled or macerated fruit for dessert.

When in doubt, add a little spice to your life.

ON THE COURT

Chris Dallas, Director of Tennis

What an outstanding start to the summer CCP Tennis has had. Our Junior Tennis Program has a record number of players and the activity around the courts on Monday, Wednesday and Friday morning is buzzing. Our second session of Junior Clinics begins Monday, July 5. We look to add even more players to our record numbers.

A recap of June would not be complete without congratulating our winners from the inaugural **CCP Golf and Tennis Combo Event**, held June 12:

1st Place Gross - Elliot Treece & Adam Chustz "139"

2nd Place Gross - Conrad Love & Paul Bradford "141"

1st Place Net - Andrew Baer & Justin Halvorson "134"

2nd Place Net - Paul Knight & Ben Knight "140"

Champions were also crowned at the **CCP Mixed Doubles Club Championships**. A Division Club Champions, **Dr. Ross Jones** and **Anne-Marie Jones**, went undefeated through the round-robin event. **Brian Turner** and **Holly Turner** won the B Division Championship, also going undefeated.

Summer tennis Session 2 Clinics begin Monday, July 5.

Our "**Ladies Beginning Tennis**" could very well be building the next group of potential club champions. Session 1 was a huge success with 5 ladies completing the course and having a wonderful time while doing it. Session 2 begins Tuesday, July 6.

This class meets 5:30PM – 6:25PM. 5 weeks of instruction on strokes, rules, scoring, etiquette, and basic strategy in a low stress social tennis setting. This class is designed for new players looking to learn the game from the ground up.

Looking ahead to July, we have two new and exciting Junior Tennis events. First, the **USTA Junior Circuit – CCP Summer Clay Court Classic** will be held Saturday, July 24. This event is a sanctioned event for players 10 and under. We are excited to give these future stars a rare opportunity to compete on clay courts. We have several high-quality players here at the Country Club of Paducah and we are excited for them to compete on their home turf. The following weekend will be the inaugural **CCP Junior Tennis Club Championships** (Saturday, July 31 & Sunday, August 1). Boys and Girls Singles, Doubles and Mixed Doubles in the 18 and under, 14 and under and 10 and under divisions. We look forward to watching many of the kids we have taught over the last several years along with some that have started this summer compete in a variety of events for a chance at a Club Championship. It will be a full weekend of fun and competition.

What great momentum we have going into the last half of the summer with tennis. It is never too late to start learning or re-learning such a wonderful sport. If we can help you get started in Tennis or help you find people to play with, please contact the Tennis Pro Shop at 270.554.7065, e-mail us at ccptennis@ccofpaducah.com or come by and see us.

I look forward to seeing you at the courts,
Chris

JULY FUN FACTS

JULY 4TH WASN'T A FEDERAL HOLIDAY UNTIL 1870

Nearly 100 years after Massachusetts made July 4 an official state celebration, Congress declared Independence Day an unpaid federal holiday as part of a bill to officially recognize several holidays. In 1941, the 4th of July finally became a paid holiday for federal employees.

ONLY ONE US PRESIDENT WAS BORN ON THE 4TH OF JULY

There has only been one president ever to be born on the American holiday: Calvin Coolidge. Coolidge was born July 4, 1872 in Plymouth Notch, Vermont.

HOW ABOUT A GAME OF MONOPOLY?

The Monopoly board game was copyright registered in July of 1933, and Charles Darrow, the inventor, became the first millionaire game designer after he sold his patent to Parker Brothers.

AMERICANS CONSUME ABOUT 150 MILLION HOT DOGS ON JULY 4

According to the National Hot Dog and Sausage Council, approximately 150 million hot dogs are consumed by Americans on the 4th of July each year. If lined up, that amount of hot dogs could stretch from Washington D.C. to Los Angeles more than five times.

THE STAR-SPANGLED BANNER' DIDN'T BECOME THE NATIONAL ANTHEM UNTIL 1931

Although Francis Scott Key first penned the tune in 1814, *The Star-Spangled Banner* didn't become America's National Anthem until President Herbert Hoover signed a congressional act on March 3, 1931, according to History.com. Now, the song is played at many events, including those celebrating July 4th.

AMERICA'S FIRST ZOO

In the United States the Philadelphia Zoological Garden, opened July 1, 1874, is known as "America's First Zoo." It was planned by the Commonwealth of Pennsylvania on March 21, 1859, but its opening was delayed due to the Civil War until July 1, 1874. When the zoo opened, it featured 1,000 animals and the admission price was 25 cents.
