# Incoming President's Message

KRISTA LEA

Hello CCP Membership,

I am honored to write my first newsletter as your next President. I have greatly enjoyed my service as part of the Board of Directors, and I am so excited to guide the club forward this year. Mike has left big shoes to fill as he accomplished great things during his presidency. He has been a wonderful mentor to me, and I am grateful that he will remain on the Board as the past president to help us make decisions in the coming year.

We have worked diligently to plan events for the year. These events will vary in hopes of providing something for the entire family. Timely notification of events will be given so you can

plan accordingly. My big ask is that you please RSVP for these events. Our staff works so hard to make them special for you, and it makes their lives much easier if they can plan.

If you have not yet met our new Director of Racquets, Oscar Imhof, please do so. He is really bringing new life to our tennis program and is eager to work with our members. The recent pickleball mixer had a fantastic turnout and was so much fun. Oscar has a great year planned and encourages players of all levels to come out and enjoy the courts.

Again, it is my great pleasure to be your next CCP President. Please know I am here to listen and help. Do not hesitate to reach out with issues or suggestions. I will do everything to the best of my ability to address your needs and serve our Club.

## General Manager's Message

MICHAEL METHOT, CCM

I was hoping to start 2022 with renewed optimism, yet we are all still addressing the lingering challenges and necessary adjustments to combat the Omicron variant. It was unfortunate to have shut down operations for another week, yet it was the appropriate decision after a substantial outbreak amongst the team. If the dark, dreary, and cold winter days feel like they are dragging along, we are kicking off our February with a ray of light:

### **Good Food. Good Mood.**

It was great seeing so many of you enjoying a welcome back meal over the past week! Chef Joel and the culinary team have launched new menus, and the comments have been overwhelmingly positive. Further, many of you have inquired as to the status of a new, permanent Executive Chef and I don't have any substantial updates to share at this time. Several candidates have been vetted, and we are seeking the proper fit for both the Club and market. We hope to ramp up our efforts and have someone in place sooner, rather than later. If possible, there will be a transitional overlap period where Chef Joel and the incoming candidate will collaborate and connect for a seamless transition.

### **Are you hoptimistic? Great beer can be found here!**

Over the weekend we added '37 Flood' by local brewery Dry Ground to our draft offerings in the Kentucky Room Bar. This much anticipated addition has been a staple at their tap room for quite some time, and we are proud to serve it to our members and guests here at the Club. A craft American IPA in style, this

vibrant, golden orange refreshing beer at 6.6% is the perfect go-to after a long day. Aromas include pine, grapefruit, citrus, resin and a hint of caramel. It starts lightly to moderately sweet with a mild bitter finish. Medium-bodied with lively carbonation, it is deliciously simple and straightforward but unique in its' own way. Pairing suggestions include fried foods, Mexican and grilled meats to include burgers and steaks.

### **New Year, New Personal Information?**

Have you recently purchased a new home? Have you changed your primary mailing address to a PO Box? Do you have a new phone number? If so, we want to know. The Administrative team works diligently to keep up with all member files, so if any of the above or other life-changing events apply to you, please let us know. As of recent, we have had several instances where mail has either gotten returned or we have sent something to an old address on file. Further, any status changes to include dependents or fluctuation in membership type, must be properly applied to your account. Every little bit helps, and we appreciate your understanding and support.

On behalf of the entire team, thank you for your continued support of the Club. 2022 promises to be a memorable year and there is a lot to take advantage of. To stay connected, reference the monthly newsletter, my weekly Manager's Message, the website, or social media platforms, where the team shares all Club happenings.

# OFF THE TEE

Chad Martin, PGA Director of Golf

## THE CHILI OPEN

On Saturday, March 5<sup>th</sup> we will offer our first golf event of 2022, the Chili Open. I know that our weather could be unpredictable at this time of year, but my "southern" roots are already getting tired of waiting for tournament season. This event will be played in the same format as our popular Wednesday Evening Men's Night (but it is open for all members). To sign up for the event please use the Golf Genius online registration tool. Format will be 9-holes (if bad weather) or 18-holes (if decent weather) of 4 or 5 person scramble. Cost for the event is \$20 and we will offer a F&B event following play.

## THE KLONDIKE CLASSIC - SATURDAY, MARCH 26<sup>TH</sup> AT 1:30 PM

**\*\*RESERVE YOUR SPOT AS THIS EVENT FILLS EXTREMELY FAST!!**

On Saturday, March 27<sup>th</sup> the Golf Shop will offer our annual "Par 3" tournament, The Klondike Classic. This event had an extremely large field last year, and we will cap the field at 80 participants this year. Don't miss out on your opportunity to see CCP from a completely different view, as well as challenging your short game skills. The event is flighted by handicap for all levels of players to compete against players of like handicaps, we will also offer Closest to the Pin prizes on every hole. Following play we will offer the popular "grill out" on the patio.

## WINTER LESSONS & CLUB FITTING

The net and hitting mat are now in place at the tennis bubble. While there is no substitute for seeing the ball fly, this is a good way to keep the rust off your golf swing during the winter months. If you would like to sharpen up your fundamentals or get fit for clubs, we can now offer a comfortable environment out of the winter weather. We also have FlightScope launch monitor capability at the bubble and can track your improvement.

## GOLF SHOP SPECIALS!!

Please plan to stop by your CCP Golf Shop in the month of February to take advantage of great savings on some carry over merchandise from the past season. We are trying to make room for the spring apparel and golf clubs, so do not miss out on a chance to pick up some outstanding merchandise at discounted prices. We will have a couple of different ways to receive discounts on February purchases. More information will be released on sale items.

## PRO'S CORNER

I would like to encourage all members to look at the 2022 Tournament Schedule included in this newsletter. **My challenge to each golf member this year is to play in at**

**least 1 more event that you did last year.** With a wide array of formats in our events I truly believe that there are tournaments for every golfer. We have seen great growth in our tournament participation, and I want to make 2022 an even bigger success.

The 2022 season will have a new look with some new faces in the Golf Shop. Gabe Wheeler will stay on as Assistant Professional and is preparing to begin his journey toward PGA membership. We will also welcome new 1<sup>st</sup> Assistant Professional, Michael Brown, to the Club beginning in February.

Michael is originally from Southern Illinois, but he has spent most of his professional career on the west coast. Prior to his time as a lead fitter

for PXG Golf, Michael worked as an Assistant Professional at Las Vegas CC and Waverly CC in Portland, Oregon. Please plan to stop by the Golf Shop and offer Michael a warm welcome to the CCP family.

I would encourage our members to take advantage of all the fitting tools and expertise that our staff offers. We are your one stop shop for professionally fit golf clubs and golf balls. We have had tremendous success with our fitting programs over the years, and I want to make sure that all of our members are taking advantage of this great service. If you are interested in trying any of the new equipment offerings that we have please do not hesitate to schedule an appointment. In February we will receive fitting components for the new Taylor Made Stealth product as well as the Callaway Rogue ST product.

Lastly, please keep an eye out for some new brands this year in the Golf Shop. In 2022 we will bring in newcomers Donald Ross Sport, GG Blue, and 7 Diamonds, as well as keeping our best performing brands Straight Down, Johnnie-O, Harlestons, Travis Matthew, and FJ. We are also venturing into the kid's apparel realm this year and will have a good variety of kids clothing from leading manufacturer GARB.

Sincerely, Chad

# GREEN SCENE

Shannon Watson, CGC Superintendent

As we enter February, winter has been giving us our coldest temperatures of 2022. The first two weeks of January produced several days with moderate temperatures. These temperatures had the greens growing and staff cutting them three times during this period. The unseasonably warm temperatures had several rounds of golf, too. The cold temperatures at the end of January produced the first time the greens have frozen in over a year. When the greens are frozen, rounds of golf are not detrimental to turf health. The bigger concern is play allowed on greens during freezing and thawing cycles. After the green profile freezes and warmer weather returns, greens begin to thaw from the top down thru the frozen layer. At some point during this thawing cycle, the surface will have thawed, but there is still an underlying frozen layer one to two inches below the surface. Under these conditions, the potential for root shearing and compaction are at their greatest! Therefore, it is a best management practice to hold off play on the greens until thawing occurs deeper in the profile. Depending on the temperatures over the next month, there could be several more of these freeze and thaw cycles. The golf shop will send out emails and push notifications to the membership notifying of any green's closures, and we will install course closed signs at 1 and 10 tee.

Currently on the course, staff has been doing some irrigation work and pruning. We are still cutting greens, changing holes, and performing leaf cleanup when needed. The course has withstood winter well. The tees, fairways and rough have stayed relatively weed free. The greens have done well too. They have lost some color over the past couple weeks due to the soil temperatures finally getting cold. The root system of the greens is in good shape and based on our core sampling tests they are doing well physically. We run tests on the physical properties of the rootzones yearly to make sure our aerification approach and topdressing sand is keeping organic matter accumulation and water percolation rates in check. At the end of the month, we will send more samples off to test the nutrient and salt values in the profiles. We use this information to make any adjustments during the season to fertility and soil amendments. We have been counting growing degree days and will be applying growth regulator for poa seed heads and nutritional supplements to the greens sometime this month. These applications are very important to the putting quality of the greens in the spring. An application of roundup/ preemergent will be made to the fairways, tee complexes, and chipping areas too. Additionally, broadleaf treatments will be applied to the rough, targeting clover and dandelion.

In the shop, we have put extreme effort in overhauling some of our highly used items in the equipment fleet. We will be rebuilding decks on the rough mowers, the greens rollers, rollers on cutting units, and reel bearings. The maintenance on the equipment in the winter, sets the tone for the quality of the course during the golfing season. Additionally, this month I will be attending the Golf Industry Show in San Diego. As always, I am excited about the opportunity to look at new products and learn new ideas being implemented in golf course care. With the wealth of information and technology presented at the show, I hope to implement some of the new strategies learned into the daily management of our Club. In closing, this month will mark the ending of a chapter and the beginning of a new chapter in the turf care staff. After 22 years of service, Scott Foreman will be retiring as the Assistant Golf Course Superintendent. Scott has been the go-to guy on the turf staff for as long as I can remember. He was a solid assistant for the club, that knew his job, but was always eager to learn more about tending to turf. Scott was loyal, hardworking, and could always be counted on to tell me the truth, whether I wanted to hear it or not. Scott has seen and completed every aspect of grounds maintenance here at the Club. His efforts over the past 22 years have left the course better than the day he arrived. Scott will take some time off during March and will return this season on a part time basis to mow turf and lend his knowledge when called upon.

I am excited to announce that our new Assistant Superintendent Reece Struefert is already on property getting acclimated. Reece is a Paducah native and comes to us after serving as the Senior Assistant Superintendent at the Onwentsia Club in Lake Forrest, Illinois and most recently as the Assistant Superintendent at Louisville Country Club. We are excited to have Reece on staff and I look forward to what the future holds. If you see Scott or Reece on the course, please thank Scott for his efforts over the past 22 years and welcome Reece as he begins his tenure at the Club.

See you on the course!

Join us for an eventful afternoon filled with environmental awareness and some fun activities! This family event will feature giveaways, a youth poster contest, refreshments, and a tree care demonstration.  
**Sunday Brunch Buffet**
- 30-Memorial Day BBQ & Memorial Day Tournament
- 31-Clubhouse Closed

## AROUND THE CLUB

Whitney Stone-Leyhue, Dining Supervisor  
& Event Coordinator

The cold weather continues, but we are gearing up for a great 2022 at CCP! Our social calendar for the year is shaping up to be a year of offerings for all ages. We are introducing a new event this year with our Family Night Buffets, these monthly themed buffets will be filled with favorite dishes sure to please the whole family. For our first Family Night Buffet we will be featuring southern fare: fried chicken, mashed potatoes and all your southern comfort food favorites.

Then head back to the Club Saturday in your favorite sweater and snow boots for our Aspen Nights event. Boasting a full spiked cocoa bar, fondue station and mulled wines all around this is sure to be a fun night for all.

Have you seen our exciting new brunch offerings?! Start your week out right every Sunday with our special features available. Our **All-American Brunch** will be offered most Sundays and will feature a full-service omelet station, kids korner & rotating menu items weekly. Our **Sunday Brunch Buffet** will be offered the last Sunday of every month and includes all your CCP favorites: full salad bar, omelet station, kids korner, dessert bar & a plethora of breakfast & lunch items.

**Crafting with Kids** is another monthly event that we are excited to offer this year. Each month we will choose an upcoming holiday to get crafty with! For February we are of course working on Valentine's Day crafts. Our Mommy & Me classes were so popular in 2021 that we wanted to open this event up the whole family. See flyer for more details!

I have had a blast planning our **Mother-Son Date Knight!** All ages are welcome to attend this fun evening filled with dancing, magic & memories. Hors d'oeuvres will be served and a professional photographer will be taking photos that will be available to order. Don't miss this event!

I look forward to a great year of events. From dinners, baby showers to birthday parties and dances I'm here for all of your event planning needs. Don't ever hesitate to reach out for pricing and availability for all your social events. Lastly, I know I'm a broken record but your early RSVPs are what make our events great so RSVP today!!

## IN THE KITCHEN

Joel Corwin, Interim Executive Chef

Want to make it a Valentine's Day your sweetheart will always remember? This year you need to come out to the Club and let us do the cooking on Saturday, February 12th so you can focus on the wooing!

Madame Ruth's love potion has nothing on this blend. Think of a boozy strawberry smoothie with a hint of chocolate, and the Love Potion #9 is what you'll get. Choose either vanilla or strawberry vodka, add some chocolate liqueur, strawberries, and vanilla ice cream, and give it a whirl in the blender.

### Ingredients

- 1/2 cup ice
- 1/2 cup fresh or frozen strawberries
- 1 scoop vanilla ice cream
- 1 ounce vodka (unflavored, strawberry, or vanilla)
- 1/2 ounce white crème de cacao liqueur
- Strawberry, for garnish

### Steps to Make It

Gather the ingredients.

In a blender, add the ice, strawberries, vanilla ice cream, vodka, and crème de cacao.

Blend until smooth.

Pour into a chilled margarita glass.

Garnish with a strawberry. Serve and enjoy.

# ON THE COURT & IN THE GYM

Happy February everyone!

## PICKLEBALL

Our pickleball "Fiesta Mixer" was a huge success! The food was delicious and the pickleball was fun! Thank you so much to the 30 members that participated in the event! If you are looking to keep improving your skills, or just get a great workout in, don't forget we have PICKLEBALL every Wednesday from 6:00-7:30pm!

## JUNIORS

January has been a great month for our junior program. Around 30+ kids participated in our juniors' clinics. Kids are not only getting better, but more importantly, they are having FUN! Parents, if you are looking to get your kids active after school, give tennis a try! Our weekly programs are for all ages and levels, and there is no commitment to try it!

## ADULTS

In the month of January, we kicked off our weekly tennis clinics. From ladies' morning clinics, men's night, cardio, and Saturday coed clinic, we have something for everyone. Please take a look at the flier for details and know that these are "walk in" clinics, and there is no need to sign up! Be a "kid" for an hour, get great exercise, socialize, and have fun!

## BEGINNERS

Starting February 15th, every Tuesday from 6:00-7:00pm we will be having our "beginner/begin again" tennis program. This program is a four-week program with the goal of teaching you all the basics of tennis in a fun format. Don't have a racquet? We have plenty you can borrow! Call me or email me to sign up! Space is very limited.

## EVENTS

In the month of February, we have two events scheduled:

**LADIES BRUNCH & TENNIS.** This event will be held Friday, February 4th from 9:00am to noon. We will be enjoying mimosas and breakfast while playing a round robin format of doubles matches. Ladies will be paired up within their levels. Call me to sign up!

**"3 in a Row" SOCIAL MIXER.** This event will be held February 19th from 4:00-6:00pm. It is a coed event for every level. Players will be drafted into teams, and we will play our favorite

clinic games! Trophies will be awarded to the winning team! Contact me if you have any questions and to sign up!

## FITNESS

I hope everyone is using the gym and achieving their "New Year's resolutions." If you are having any problem accessing the gym after hours, any questions about the equipment or others, please do not hesitate to contact the Front Desk. We strive to offer the best experience possible for the members and we are happy to do so. Also, I have heard from many of you about the desire to have 24-hour access to not only the Fitness Center, but also the restrooms. Please know we do plan to work on and understand this would be a great addition, yet it is not on the list for an immediate fix. In the interim, and although not ideal, the bubble restroom is available for usage.

See you on the courts, Oscar

# ADULT CLINICS

<b>WEDNESDAY 9-10:30 AM</b>	<b>LADIES CLINIC 3.5-4.0</b>
<b>WEDNESDAY 6-7:30 PM</b>	<b>PICKLEBALL PLAY</b>
<b>THURSDAY 9-10:30 AM</b>	<b>LADIES CLINIC 2.5-3.0</b>
