# President's Message

KRISTA LEA

Hello CCP Membership,

Happy Spring! I am thrilled to see flowers blooming, green grass, and a few hints of warmer weather. It is so nice to see members out and about again. The Club will really start to come alive over the next couple of months.

Our Executive Chef search is underway. The first interview and tasting was conducted. If all of our candidates are as good as this one, we will have a tough decision to make. This is an exciting step for our Club as we work to make dining an outstanding experience for members.

As summer is upon us, golf and racquets will offer various options for members of all ages and skill levels to enjoy these amenities. Please be on the lookout for activities and come join us!

Thank you for your membership. Please do not hesitate to reach out to me anytime with questions or concerns.

Krista

# General Manager's Message

MICHAEL METHOT, CCM

As our members who went south for the winter begin to return and the flowers begin to blossom, there's no doubt about it that one of the most gorgeous times of the year is quickly approaching. As I am sure you have noticed, we have a several projects going on around the Club currently! The wind screens are up at Tennis, tree work has commenced on the grounds and preparations for the pool are in full swing.

Sunshine, swimming, and sibling fun are signs of summer, and I am thrilled to announce that several much-needed upgrades are underway to include the upper-level reconfiguration and seating, increased shade, additional side tables, enhanced lighting, added culinary gadgets for more product offerings and a full repainting and stenciling of the letters on the pool deck that are sure to make the entire area more appealing. Further, as many of our long-tenured members have experienced, the uneven concrete slab where primary dining is held will be broken up and removed, eliminating the drastic transitions and extremely hazardous conditions to make way for a new pour. We have also put-up fencing to block the service area adjacent to the spiral staircase leading to the upper level. This was an eye sore last year, and I am happy to see what a difference it makes.

I often hear either, "the Club sends me way too many emails" or "I didn't see the event your speaking of." Well, I happy to report that Club leadership in conjunction with the Board of Directors agrees that this is an important component to your overall member experience. Discussed at this month's Membership/Social Committee meeting and later explored at the March board meeting, a special ad hoc

# NEW MEMBER MIXER

Thursday, April 14th  
6:00PM-7:00PM

Calling all members, new & old, join us for our semi-annual meet & greet! New to the Club? New to the area? Expand your connections with fellow members. Take a little time to enjoy delicious hors d'oeuvres, great cocktails & even better company!

**RSVP to**  
**wstone@ccofpaducah.com**

*Reservations for dinner in the Kentucky Room afterwards are not required but highly encouraged to guarantee seating*

committee focusing on IT, member communications and the website/app will be formed to ensure we are keeping up with technology advancements. All avenues will be explored, and we plan to evaluate a few different software options to integrate. I have done an IT transition previously, and once we have arrived on our solution for the future, we will host several "Click-N-Sip" Seminars to get everyone acclimated.

On Wednesday, April 13 an important milestone will be reached by our very own Denise "Sissy" White, who will be celebrating her remarkable 40-year run as a dedicated team member of the Club. As I've heard from her directly in my time here, she has seen many of your children grow and even their grandchildren begin to walk and beyond during her years of service. Although bittersweet to see her turn the page to the next chapter, I couldn't be prouder of her accomplishments. To celebrate and honor her historic tenure, we will be hosting a gathering open to the entire membership at the end of the month, and final details will be released soon.

In closing, and as many of you prepare to go out of town for Spring Break, April 1 also marks my one year of service to the Club. We have accomplished a lot thus far, yet there is still a lot to be done. I look forward to a fantastic year two and upon your return, we will be ramping up our planning and efforts in anticipation of Easter weekend. We have received great momentum on reservations for both hallmark events that weekend, the Easter Egg Hunt on Saturday, April 16, and Easter Brunch the following day on Sunday, April 17. Although the preferred time slots are near full capacity, we do have a few select reservations still available. Don't wait until the last minute, email Whitney today to get your name on the list before it's too late. Safe travels and we can't wait for you to see our eggstra surprises we have planned for you in a few short weeks!

# OFF THE TEE

Chad Martin, PGA Director of Golf

April is going to be an exciting month as we host the Golf House Kentucky Classic, the Kickoff Scramble, The Missouri Valley Collegiate Championships, and the CCP 2-Man Open. Our goal with any outside event is to disrupt member play as little as possible. If one of these events does conflict with your schedule, please reach out to the Golf Shop and we will be happy to arrange reciprocal play at an area course. I would encourage our members to come out and spectate at the MVC Championships, April 24<sup>th</sup>-26<sup>th</sup>. We hope to have our new black tees open by this time, and it will be interesting to see how the top collegiate players handle the new look.

Now that time change is here and the weather is getting better by the day, it truly feels like the busy spring golf season is upon us. That being said, the prime weekday and weekend tee times will continue to be in greater demand. If you are planning to play on the weekend or a prime day of the week, please make sure to reserve your tee time in advance. Also, as a courtesy to other members, if you have booked a tee time and then find that you will not be able to use the time, please contact the Golf Shop so that we can make that time available to other members.

Lastly, please stop by the Golf Shop to browse our new arrivals. This month we will receive new apparel from Johnnie-O, G.G. Blue, Garb Kids, & Harelstons. We also have new footwear arrivals from FJ in the Premier series. Please plan to stop by your Golf Shop and take advantage of the premium product offerings as well as outstanding member pricing.

## Kickoff Scramble

The Kickoff Scramble will take place on Saturday, April 23<sup>rd</sup> beginning at 9:00am. Players may sign up as a 4-person team, or as an individual. Cost for the event is \$65 per player and will include prize payouts, a "SWEET" tee gift, and a grill out following play. This event filled quickly last year, please register as soon as possible.

## Thirsty Thursday Ladies Clinics

Thirsty Thursday is back!! Our first clinic will take place on Thursday, April 21<sup>st</sup> at 5:30pm and will last until roughly 7:00pm. These clinics will be geared toward beginning golfers but will also be a good way for more experienced golfers to fine tune their fundamentals. The clinics will offer basic golf instruction, and to keep the atmosphere fun we will offer adult beverages for all participants while we are at the range.

I cannot emphasize enough that these clinics are for any lady member that may have an interest in learning about golf in it's most simple form. Cost for each clinic will be \$40. Please call the Golf Shop by the Tuesday before the clinic to register.

## Spring 1-Day Member-Guest

Please mark your calendar for our Spring 1-Day Men's Member-Guest, on Friday, May 6<sup>th</sup> at 12:30pm. To register your team please use the CCP app or website. Please see below for details.

\$150 entry fee per team which includes:

- All golf fees
- Lunch beginning at 11:30am
- Appetizers following play
- Scrip Payouts

## Format

- Gross and Net Scoring on the team's total score
- Holes #1-#9 played as scramble
- Holes #10-#18 played as scramble

**\*Registration Deadline is Tuesday, May 3<sup>rd</sup> at 5:00pm**

## Fitting Days Currently Scheduled:

### XXIO

## 2022 CCP On Course Jr. Program - BEGINS IN APRIL!!

Your PGA Professionals would like to offer a spring season junior golf program geared towards our juniors who are playing competitively or are looking to begin playing competitively. This program is a bridge to our upcoming Junior Golf Program, that begins in June, and will give junior golfers a way to improve their fundamentals, as well as course management. The Program will meet on Tuesdays from 4:30pm to 5:30pm in the months of April and May for a total of 6 clinics. Within these clinics we will offer full swing and short game instruction, as well as taking a deeper look at how to approach on course situations and how to manage scoring opportunities within a round. Cost per session will be \$25. Please call the CCP Golf Shop, 270-554-5330, if you would like to enroll your junior in this program.

### Program Dates:

April 5<sup>th</sup>  
April 12<sup>th</sup>  
April 19<sup>th</sup>  
May 3<sup>rd</sup>  
May 10<sup>th</sup>  
May 17<sup>th</sup>  
\*4:30pm to 5:30pm

## Congrats to our 2022 Chili Open Champions

Brad Mutchler, Butch Bradley, Justin Halvorson, & Matt Conwell

## 2022 Match Play Dates - Individual & Team Matches

In an effort to do away with the conflict that comes with scheduling matches the following date and rule changes will be in place. Registration will open for these events on Tuesday, May 3<sup>rd</sup> and will close on Tuesday, May 17<sup>th</sup>. All brackets will be set and sent out to the membership by Wednesday, June 1<sup>st</sup>.

Round #1 Matches must be played by Sunday, June 19<sup>th</sup>  
Round #2 Matches must be played by Sunday, July 10<sup>th</sup>  
Round #3 Matches must be played by Sunday, July 31<sup>st</sup>  
Round #4 Matches must be played by Sunday, August 21<sup>st</sup>

Championship Match must be played by Sunday, September 11<sup>th</sup>. If team or individual matches do not meet the deadline date, a coin flip will determine the winner of the match. **There will be no exceptions to this rule as everyone is given a 3-week window to complete their match.**

**\*ALSO, ALL SCORES FROM MATCHES MUST BE POSTED UNDER EQUITABLE STROKE CONTROL AND A SCORE CARD FROM EACH TEAM MUST BE TURNED IN TO THE GOLF SHOP.**

## Congrats to our 2022 Klondike Classic Champions

# GREEN SCENE

Shannon Watson, CGC Superintendent

Spring has arrived on the calendar and the weather has been its normal mixed bag. This Spring, we have experienced dry and warm conditions, rainy and cool conditions, along with some sunny and cold days. Although winter has ended, we will probably still have some cool mornings and everyday will not be 80 degrees. A slow general warm up is best for plants and turf. We hope that this month is filled with liberal sunshine and timely rainfall, allowing all plants and turf to break dormancy in an orderly fashion and start growing evenly without any quick flushes of growth. Additionally, the early blooming trees have been quite showy with their flowers. Soon, the dogwoods and azaleas should put on an equally brilliant display.

As we enter the month of April, the greens have begun Spring in good shape, and the growth regulator program for poa contamination is working. Two applications have already been applied to stop seedhead emergence in the poa. So far, the timing of these applications seems to have been good. Seedhead emergence is never good for putting quality and further promotes poa contamination in putting greens. Research shows that poa seed can lie dormant in a greens profile and germinate up to 9 years later. Greens aerification went off without a hitch, and we are well on our way to recovery. We needed to complete this important cultural practice as soon as possible between rain events to ensure the green surfaces are healed before we apply our preemergent application to the greens this month. The preemergent application to the greens is crucial to preventing crabgrass and goosegrass germination in the putting surfaces, as well as poa. Timing this application is important to maintain smooth and true greens. Our goal in our aerification program is to remove organic matter in the surface of the greens. We intend on verticutting the greens soon to remove organic material out of the top 1/2". We have started our weekly topdressing program with the goal to dilute even more organic matter and keep the green surfaces firm and rolling nicely. Our weekly plant protectant applications will begin towards the end of the month.

The zoysia is starting to green from the longer daylight hours and warmer temperatures. The bermudagrass will not be far behind. The fairways, tees, and collars have been cut down in height to .400 and this act will increase the greening of shoots even faster. The ryegrass in the rough is beginning to initiate growth, and we are cutting the turf when conditions are favorable. The rough will experience a spring flush soon, so cutting the rough will be a daily task in the coming weeks. We

will be spraying broadleaves and fertilizing wall to wall in the rough this month as well. Debra is busy freshening up the landscape beds around the Club and is adding new specimens for everyone to enjoy.

The short game area is coming along nicely. The green is being cut several times a week. We are on an aggressive topdressing program on a weekly basis. The topdressing program allows us to lower the height of cut weekly, without making major changes to the height of cut. We are adding nutritional supplements weekly to help close the turf surface as soon as possible. The sod in the fairway lobes is greening. We anticipate scalping it down soon and begin fertility practices on it and the new tees. We are lightly topdressing these areas frequently as well to make sure all seams fill when the temperatures get more consistent in warmth.

I would also like to mention that our turf care building will be receiving a much-needed paint job. Staff is excited about the investment being made because they take a great deal of pride in our facility and the tools we are provided with to accomplish our goals. Stay tuned for the completed project.

Our seasonal staff is starting to come together, with three employees already joining the team. It looks like we will have some turnover this year, so we will have some spots to fill within the staff. The return of seasonal employees is always crucial for the TurfCare center operation. The less we must find and train new employees the better we are from a production standpoint. In the coming weeks, we will continue checking off boxes on our Spring to do list and as always, keep striving to improve the playing conditions and your experience.

We hope to see you on the course!

## AROUND THE CLUB

Whitney Stone-Leyhue, Dining Supervisor  
& Event Coordinator

April is finally here and there are some fun things in the works here at CCP.

**Siblings Day Brunch** falls just as spring break concludes but for those heading to the beach, remember your sun block because our new house photographer will be at the Club Sunday to take pictures and commemorate time spent with family, especially your first best friends that you love to hate, your siblings.

Our **Ladies Night Out Spring Has Sprung** event is the perfect excuse for you to go shopping for your go-to spring dress this year, enjoy hors d'oeuvres and cocktails with other Club ladies.

New members are being added to the Club weekly and what better way to get to know them than with our **New Member Mixer**? We invite all our members to this meet-and-greet with management and members alike. Help us get to know you, your family and what offerings at CCP might work for you best, or some new things we can incorporate into our calendar.

And now for the weekend that everyone has been contacting me about, I wish I could drumroll... Easter weekend! We have our big **Easter Egg Hunt** on Saturday and we are cooking up some fun stuff for the kids. The Easter Bunny mentioned in our last conversation that he will be sneaking around the Clubhouse doing reconnaissance work over the next couple of weekends so if you see him tell him you can't wait for Easter! We will, as always, be pulling out all the stops for **Easter Brunch** on Sunday. Chef Joel & our culinary staff will be putting out some delicious dishes while our new house photographer takes family photos to commemorate the holiday and time with family.

We make celebrating your administrative staff easy with our annual **Administrative Professional Buffet** featuring a full soup, salad and dessert bar along hot buffet items.

**Crafting with Kids** is back this month for our Mother's Day Edition. Spend time making a Mother's Day craft while enjoying a snack.

We conclude our month with the highly requested **Yellowstone Trivia**, so throw on your ranch handling duds and head to the Club for a rip-roaring time.

## IN THE KITCHEN

Joel Corwin, Interim Executive Chef

April, that month where the sun finally comes out and spring produce begins popping up, is perfect for branching out with recipes. Highlighting seasonal fruits and veggies, holiday favorites, and simple dinners, like this spring Soba Salad that highlights the beginning of spring.

The beauty of seasonal produce comes to life in this bright spring salad. A simple trip to your farmer's market should cover all the basics, but feel free to add or remove any ingredients you prefer, like I love to add scallions and roasted broccoli rabe. Radishes are a great use-it-all veggie, making them a highly economical buy. Instead of chopping off the greens and trashing them, rinse them clean and toss them in salads and stir-fries. They lend a peppery taste that adds savory depth to an array of spring dishes. If you're craving an extra boost of protein, add shredded rotisserie chicken or grilled shrimp on top.

**Spring Soba Salad** Yield: feeds about 4 people

1 pound asparagus, trimmed  
2 cups shredded green cabbage  
1 cup shaved radishes (any type will do no matter if it's a simple

red or an elegant breakfast radish)  
1 1/2 cups radish greens, roughly chopped  
1 cup thinly sliced red onion  
1 1/2 cups snow peas  
3 tablespoons olive oil  
2 tablespoons fresh lemon juice  
2 tablespoons honey 1 1/2 tablespoons rice vinegar  
1/2 teaspoon kosher salt  
1/4 teaspoon freshly ground black pepper  
1/2 teaspoon finely chopped fennel seed  
1/4 teaspoon ground chili pepper (optional)  
4 ounces Japanese curly noodles (chucka soba), crumbled

### Step 1

Heat a large skillet over medium-high. Place asparagus spears in pan and add enough water to completely cover. Bring to a simmer and cook, covered, 3 to 5 minutes, until crisp-tender. Transfer asparagus to a bowl of ice water. Drain and cut into thirds. Set aside.

### Step 2

Place cabbage, radish, radish greens, red onion, and snow peas in a large bowl. Toss to combine. In a separate bowl, combine oil, lemon juice, honey, vinegar, salt, black pepper, fennel seed, and chili pepper. Stir with a whisk. Add dressing, asparagus, and crumbled noodles to salad. Toss to combine.

# ON THE COURT & IN THE GYM

Happy Spring everyone!

## FACILITY UPGRADE

We have replaced the old score boards for brand new ones. Shannon and his crew have also started to get our outdoor facility ready, including putting screens up and starting the process to get our clay courts ready for May. His crew does such a great job getting us ready for the outdoor season and we are very thankful for that. Special thanks to Bill as well for always making sure the heater in the bubble is working well.

## ADULT TENNIS

Our Adult "in house" Tennis League is in full swing! Over 50 members are currently participating in the league. This season I chose a "rock band theme" for the name of the teams, and after two weeks of play, Team AC/DC is in the lead! Stay tuned to find out who the spring league winner will be!

For the month of April, we continue to offer our weekly "walk in" clinics. These are fun clinics that do not require member to register for. So come on out and "be a kid" for an hour; have fun and get a great work out!

## JUNIOR TENNIS

Our Junior Programs are growing and growing; and that is very exciting! We had over 40 kids participate in tennis this past month! There is no commitment to try any of our clinics. Parents let's keep our kids active after school and give tennis a try!

On April 23rd, we will be hosting our first "Team Match Play" day. This is a great opportunity to get our kids that have been practicing for a while, the opportunity to play matches in a fun friendly format. Contact me to inquire more information and to register!

## PICKLEBALL

We have moved our "OPEN PLAY PICKLEBALL" to Mondays at 6:00pm. We are hoping the day will help increase participation. Our staff will have pickleball courts and equipment ready for you to come and gather with members and friends and enjoy a game of pickleball. Want to join the group, but you are not comfortable with your skills yet? Contact me and we can schedule a lesson and teach you all the basics of this great sport.

## FITNESS

We have received a lot of requests for new key fobs to access the gym after hours. If you still don't have a key, and want to access the gym after hours, contact the desk and we can get you one so you can access the facility at your convenience.

## SUMMER CAMP

Our summer camp registration is now open, and fortunately, we have received some great feedback and interest! We are accepting up to 20 participants per week. So, if you are planning to register your kids this summer, contact me soon to save a spot!
