President's Message

KRISTA LEA

Hello CCP Membership!

It's hard to believe we are already in July. The summer is flying! It is great to see so many fun happenings around the club. Our popular Member-Guest Tournament was another huge success! Many thanks to all of our golf and greens staff for their hard work to make it happen. Oscar's weekly youth tennis camps have been a hit with our juniors. They are working on tennis and pickleball skills, as well as having time for fun activities and swimming.

There are many exciting things happening on the golf front. We will now have a grill at the turn on Saturdays so you can

grab a quick lunch on the way to the back nine. I am thrilled to get this going - enjoy! The Ladies Member-Guest Tournament is coming up on July 16th. There are still spots available for this event - please come out and join me! The grand opening of the long anticipated short game area is July 1st. The Zellmer Memorial on hole 1 is absolutely beautiful. Thank you to all of our members who made this happen.

As always, thank you for your membership and please do not hesitate to reach out to me at any time with questions or concerns.

Krista

General Manager's Message

MICHAEL METHOT, CCM

Brian Tracy once said, "*there is never enough time to do everything, but there is always enough time to do the most important thing.*" Well, thankfully for the team here, you, our valued members, feel we are among the few most important things in your lives as we have been bustling across multiple departments. Our relaunched and revamped Summer Camp has been sold out, junior golf is seeing record numbers and in the dining room, we have seen a drastic uptick in visits, especially for lunch. As we approach the midway point in the year, and it is crazy how time flies, we hope the trend continues.

As we continuously strive for your attention, we hope this simplified edition of **The Turnberry** will provide you the necessary details and information to plan accordingly. If you recall, we drastically changed the format and layout last year, and we plan to continue to explore updates and formatting enhancements in the months ahead. I know this is one component of our marketing efforts that so many of you enjoy, so we want to evolve it to meet your reading interests, all while providing quick information at-a-glance.

Speaking of new, have you seen the recently installed **Mulligans** cabinet along the windows in the Kentucky Room Bar? It will soon serve a dual purpose for both your turn and mid-day snacks, as well as the carryout hub for all your to-go needs. As a friendly reminder, lunch takeout will still be retrieved from the credenza immediately inside the main entrance, yet in the evenings you can simply pull up to the walkway immediately beyond the porte-cochere grab your food and be on your way. We have received great feedback on the carryout

portion thus far and it certainly helps with the clutter and confusion, especially on busy nights, that the previous set-up presented.

Chef Wade hit the ground running and has incorporated plenty of new and interesting items for you to try sample since his arrival. He will soon be mixing things up yet again as he prepares to launch a **Summer Menu** refresh to incorporate seasonal ingredients and to remove those items that are no longer suitable or available. Here are a few new selections to tempt you for a visit: Cantaloupe Soup, Grilled Vegetable Sampler, and Maple-Peach Glazed Pork Medallions. Don't worry, the Street Tacos aren't going anywhere. Have you tried them yet? Offered with steak, chicken, or fish, they are a delight. My personal favorite is the fish, so if you haven't indulged, you're missing out.

There has been some conversation and feedback regarding the **recently installed signs** placed on #1 and #10, as well as the access points on #11 and #8, so I'd like to clarify our intent here. I understand as depicted how the verbiage can be interpreted differently, but we are simply looking out for the safety of all constituents. Cart travel to and from the Clubhouse is permitted, yet other activities such as walking, running, bike riding, skateboarding, etc. is to not impede on normal golf play.

In closing, thank you to all our members who continue to promote the Club to their family, friends, neighbors, and colleagues. I often field the question of where our membership numbers are and although the momentum hasn't quite carried over from 2021, I am happy to report that at month end, we have a total of 550 members.

Enjoy these memorable moments,

Michael

OFF THE TEE

Chad Martin, PGA Director of Golf

Wow, summer is finally here and we are off and running. I can't thank Michael Brown, Gabe Wheeler, and all of the other staff members for the long hours and extreme amounts of professionalism that they displayed during the Ladies Memorial, Junior Golf, Men's Night, and the Men's Member-Guest. Please give them a pat on the back the next time you see them at the Club.

Our new Short Game Area is scheduled to open on Friday, July 1st. I can't tell you how excited I am to begin teaching and running clinics using this new facility. I had a Short Game Area at both of my prior facilities, and I have definitely missed not having the capabilities that this facility will offer. If you have any questions about the new SGA please let me know.

If you have not yet taken advantage of the fitting and demo opportunities that are offered in the CCP Golf Shop, please stop by and give us a try. Our number of fittings have gone through the roof this season, and we would love to get the opportunity to help you improve your game. We currently offer fitting carts for woods and irons from Callaway, Taylor Made, and Titleist and have the Vokey fitting bag for wedges. We also offer demo equipment from Titleist, Callaway, XXIO, and Taylor Made. Lastly, we have launch monitor capability with the FlightScope Tour Xi. If you are interested in new clubs or would like to check the specs on your current equipment, please keep your PGA Professionals at the CCP Golf Shop in mind.

Lastly, I would like to thank our membership for the wonderful start to summer that we have had here at CCP. After a rough start to the spring season with cool temperatures and a healthy dose of rain, summer is now here and going strong. We are up in participation in pretty much all of our offerings, and I cannot thank you, the members, enough for choosing to spend your time here at your Club!

GREEN SCENE

Shannon Watson, CGC Superintendent

As we enter the month of July, we need some rainfall in the Purchase area! The temperatures throughout June were quite warm, getting close to 100 degrees on several occasions. The lack of rainfall and lower humidity the last part of June produced firm and fast conditions for the Member-Guest. I hope all that played in this event had a good time and enjoyed the conditions produced by our great turf staff. The team that we have has really stepped up to overcome adversity caused by a cool and wet spring. If you see them working on the course, please thank them for their hard work and the effort given each day.

The month of July is a pivotal month for cultural practices on the warm season turf. We will be aerating fairways starting after the Fourth of July Holiday. If the weather cooperates, the process should only take four days. Additionally, we will apply a calcium supplement to increase calcium levels. Increased calcium levels will help soil pH, nutrient availability, soil structure and overall turf vigor. Additionally, after the completion of aerification, we will be applying herbicides to the fairways to discourage the bermudagrass encroachment in the zoysiagrass turf. These applications will cause the turf to become yellow in color for a short period of time. The zoysiagrass will then have an advantage to compete against the bermudagrass.

The greens have done well this season. Our cultural and plant protectant programs keep paying off. We are topdressing lightly and spraying plant protectants, a growth regulator, and light amounts of soluble fertilizer each week. Our roots in the putting greens have increased substantially in both number and depth over the past few years. As we enter July, we will have to monitor the root system closely. As I have stated before, as temperatures rise above 86 degrees, bentgrass roots stop growing. Temperatures in the 90's cause the roots to start declining rapidly. This happens every year in the transition zone. The good news is that our fertility program and acid treated irrigation water are really helping prevent the severity of root loss like in years past! Our monthly needle tine aerification to improve gas exchange is important too, as well as our wetting agent applications two times a month.

In closing, as we enter the most stressful time of year for turfgrass, I would like to ask everyone to please have good course care etiquette during your round of golf. Please fix your ball marks, fill your divots with the sand provided on course, rake your footprints out of the bunkers, and follow the designated entry and exit points.

See you on the course.

Member-Guest Overall Champions
Tim Lambert & Brian Singleton

CCP Calendar of Events

July & August 2022

JULY

July 2 (Saturday)

- * Milkshake Mayhem

July 4 (Monday)

- * 4th of July BBQ
- * Red, White & Blue Tournament

AROUND THE CLUB

Whitney Stone-Leyhue, Dining Supervisor
& Event Coordinator

Summer is in full swing at CCP with events for the whole family. We kick off the month with **Milkshake Mayhem** poolside. This event was enjoyed by kids & parents alike in 2021 and we are hoping to recreate this magic for summer 2022. We will feature two milkshake flavors with a full toppings bar and boozy additions for the adults as well.

Our **All-American Breakfast** Buffet will be available the first 3 Sundays of the month and we will conclude the month with our big **Last Sunday Brunch Buffet**. Both offerings will have full omelet & dessert bars and feature CCP favorites that the whole family will enjoy.

Our **4th of July** celebration should be a blast with DJ Corndog, inflatables and a full buffet with cocktail specials all day.

Our **Ladies Night Out-Arabian Nights** will feature Arabian food, décor, henna tattoos and an interactive dance lesson from a local dance troop that you do not want to miss.

Celebrate the unconditional love of parents on their national holiday with a **CCP Parent's Day Brunch Buffet** featuring full salad bar, omelets station, dessert bar and all of your breakfast & lunch favorites.

We end the month with a member favorite, **Trivia: Talk Nerdy To Me**. This fun-filled night will feature appetizers and nerdy trivia to include: popular nerd tv shows & movies and things that only a self-proclaimed geek, nerd or dork would know. Check out our flyers posted around the Club, on Facebook, Instagram and our CCP app for full details. We look forward to seeing you at all the fun events we have planned this summer. To conclude my article I would like to remind members that your early RSVPs are what make our events great. Advanced RSVPs allow me to order products and décor geared towards your event and the more RSVPs I have, the more over-the-top our events can become. It seems that we have been cancelling a significant amount of events due to low participation and I would hate for this to become a trend. As always, feel free to reach out regarding all of your banquet & event needs!

IN THE KITCHEN

Wade Simpson, Executive Chef

It has been a great start to summer, and the heat reminds me of my time in Phoenix! The pool is open, camp is underway, and we had extremely successful golf events with the Men's Member-Guest and Ladies Memorial. With July 4th approaching, and as we launch into the last few months of summer, I look forward to working with the staff to create new features for the menu next week. We are looking at new ideas for a lighter approach with the warm temperatures in full swing. I always enjoy a menu transition, both to build excitement for the membership and to keep the staff focused and enthusiastic about the dishes they create. It is one of the most magical times of the year for your palates to wander.

In spirit, I thought I would share a simple recipe favorite of mine that will perk up your plate in the comfort of your own home, **Rustic Tomato Pie**.

Ingredients:

Dough for single-crust pie

1-3/4 pounds mixed tomatoes, seeded and cut into 1/2 inch slices

1/4 cup thinly sliced green onions

1/2 cup mayonnaise

1/2 cup shredded cheddar cheese

2 tablespoons minced fresh basil

1/4 teaspoon salt

1/4 teaspoon pepper

2 bacon strips, cooked and crumbled
2 tablespoons grated
Parmesan cheese

Directions:

1. Preheat oven to 400°. On a lightly floured surface, roll dough to a 1/8-in.-thick circle; transfer to a 9-in. pie plate. Trim crust to 1/2 in. beyond rim of plate.

2. Place half of the tomatoes and half of the onions in crust. Combine mayonnaise, cheddar cheese, basil, salt, and pepper; spread over tomatoes. Top with remaining onions and tomatoes. Fold crust edge over filling, pleating as you go and leaving an 8-in. opening in the center. Sprinkle with bacon and Parmesan cheese. Bake on a lower oven rack until crust is golden and filling is bubbly, 30-35 minutes. Let stand 10 minutes before cutting. If desired, sprinkle with additional basil.

ON THE COURT & IN THE GYM

Oscar Imhof, Director of Racquets

Please take a moment to review and check all the updates and different programs we will be offering at the Racquets Center for the month of July.

CLAY COURTS

Our clay courts are now available for use! Shannon and his crew have already installed 2 tennis clay courts and in a couple weeks we should be able to also offer 2 pickleball courts on clay. Playing on clay has many advantages. Clay courts give a soft and comfortable feeling underfoot, reducing impact on joints and preventing injuries during play. Due to the texture of the clay courts, the speed of the ball after the bounce is reduced, making points last longer and tennis more fun. Lastly, clay court surfaces retain their moisture and breathe, keeping the surface 20% cooler than hard courts.

We have also upgraded our outdoor courts with the installation of umbrellas. We are hoping this extra shade will improve your overall experience while playing outside. Lastly, don't forget to take advantage of our "chilled towels" available in the mini fridge in the bubble next to the restroom to help you keep cool during the summer play.

SUMMER CAMP

Our summer camps have been a huge success. Our first two weeks of camp were sold out and the feedback we received from our campers and the parents have been very encouraging. If you want more

information of the remaining week of summer camp, please do not hesitate to contact me at oimhof@ccofpaducah.com.

JUNIOR TENNIS

For our intermediate and advanced juniors, we continue our summer academy. We meet on Tuesdays, Wednesdays, and Thursdays from 4:30pm-6:00pm. This program is designed for those juniors interested in playing high school tennis as well as local tournaments.

ADULT TENNIS

Our adult "walk in" clinics will continue throughout the summer. These clinics are great to sharpen your skills, get in shape, and socialize with friends.

WEDNESDAY - Ladies "A" Clinic 9:00am-10:30am

THURSDAY - Ladies "B" Clinic 9:00am-10:30am

THURSDAY - Men's Night 6:00pm-7:30pm

SATURDAY - Cardio Tennis 9:00am-10:00am

SATURDAY - Intermediate Clinic 10:00am-11:00am

*We are also available for private and group lessons at your preferable times

USTA

During the month of June, we had several teams from our Club represent us at the USTA State Tournament. To qualify to "State", our teams were able to win their respective local leagues. Moving forward to the fall season, if you are a captain looking to recruit more players, or a player looking to be part of a team, please do not hesitate to contact me and let me help facilitate the process.

See you on the courts,
Oscar
