President's Message

KRISTA LEA

Hello CCP Membership!

I hope everyone had a wonderful Memorial Day! A heartfelt thank you to all who have served our country.

It feels like summer at the Club! The golf course is beautifully green and full of life. The tee sheet seems to get busier by the day. Chad and team have so many great events planned for golf. I would love to see an increase in our ladies playing. You may or may not know, but I love to golf, and I hope to have more ladies join me. A ladies golf evening has been planned for June 11th. I think this will be a lot of fun and it is for all skill levels. Please give it a try!

The pool is now open with added shade, per member request. It is really looking great. Summer tennis camps will be up and running soon. Oscar has a fun summer planned for our juniors! Be on the lookout for the addition of outdoor pickleball

courts, as we repurpose one of our unused clay courts. The use of clay courts for pickleball has picked up traction further south, so we are going to give it a try at the Club.

As we get busier with summer, please remember to RSVP for events and make dining reservations. We are still dealing with staff shortages, so this will make planning easier and your experience more enjoyable. Thank you for your membership and please do not hesitate to reach out with any questions or concerns.

Krista

General Manager's Message

MICHAEL METHOT, CCM

Yoko once said, "summer is not just a season, but a state of mind," and I'm happy that pool season is underway. Kudos to both the Maintenance and Grounds teams for their efforts these past few months getting the operation up and running. Although the rain impeded upon them finishing their final punch lists, they got the facility functional just in time for opening day. Although the weather didn't cooperate on Friday, temperatures transitioned, and we hosted many of you throughout the remainder of the weekend to include the Memorial Day festivities.

To ensure a safe, enjoyable, and family-friendly environment, I ask that you please comply with below each visit:

Registration and Sign-In: All members, their families, and guests must register at the check-in desk located at the pool entrance and record their name (s) and club membership number prior to utilizing the pool. All guests must be noted and a fee of \$10 per person will be charged to your account.

Food & Beverage: All food & beverages must be purchased from the Club. Any outside items will not be permitted anywhere within the pool or surrounding areas. Snacks and "sippy cups" for small children are permitted.

Attire: Swim attire is always required. Proper non-swimwear or cover-ups are required when leaving or entering the pool, as well as all areas throughout the clubhouse.

Group Gatherings and Parties: All events must be scheduled and approved by the Event Coordinator. No parties should be held without prior planning and guest fees will be incurred for any non-member attendee.

For the complete list of Pool Rules, please visit the website. The team appreciates your cooperation and attention to this matter, many thanks in advance. As a friendly reminder, the hours are as follows:

Pool: Open daily from 10:00am-8:00pm unless otherwise noted.
Cabana: Open daily from 11:00am-7:00pm, seven days a week.

I know there are several members who prefer to swim laps prior to opening, and that will still be an option this season. Prior to doing so, please stop by the Administrative Office to complete a Swim Waiver. Lap swimmers must be over 16 years of age to gain access outside of normal operating hours and the pool gate will be opened each morning by 8:00am.

Further, as mentioned in a few of my recent communications, we will be participating in the Summer Swim League, and those practices will be here at the Club on Tuesdays, Wednesdays, and Thursdays from 9:15am-10:00am prior to the pool opening, so please plan accordingly.

Now that opening weekend is in the rearview, please note that in a few short weeks and when there is a good stretch of weather, the Pool will be closed for a day to wrap up the work and get things in tip-top shape for the remainder of the summer. The team looks forward to the membership enjoying this spruced up amenity all summer long!

OFF THE TEE

Chad Martin, PGA Director of Golf

It has been encouraging to see all the new and long-time members using the Club so frequently in the past month, and I hope that trend continues as we head into the warmer summer months. My staff and I are trying to do our best to keep everyone up to date with what is going on here at the Club. If you need more information regarding a tournament or have any ideas or suggestions, please either call the Golf Shop, refer to the Club App, or email me at cmartin@ccofpaducah.com. Also, we have a lot of new faces in the Golf Shop this season. Please make sure to check in anytime that you are going to play.

I would like to thank our membership for following the new cart rules and helping to increase the health of our rough. Also, I would like to point out a couple of easy maintenance practices that could be extremely beneficial to our turf conditions over the long and hot summer months. First, please try to avoid walking or driving through areas on the golf course that have been marked off by directional signage. Also, make sure to keep all

four tires of your cart on the cart path whenever parking near a green or tee box. When 1 or more tires are off the path in these areas the wear patterns increase. Lastly, please try to fix all ball marks on the greens to help with the overall health of our bent grass putting surfaces. Thank you for your consideration in helping to maintain our wonderful facility.

Member-Guest is right around the corner and for the lucky 60 members that are in we are ready to let the fun begin. Our Member-Guest has grown to be one of our most popular events, and currently we have 54 teams on the waiting list to get into the tournament. There is some good news for those that are waiting to get in the field. The Fall Classic is scheduled for October 13th-15th and those on the waitlist will get first right of refusal into the event.

Lastly, it's almost time to open the Short Game Area! I would like to thank everyone for your patience as this much anticipated new amenity has grown in. As soon as we have a firm opening date I will get that information out to our membership.

Sincerely, Chad

Congratulations to TEAM EXPERIENCE on their victory in the Youth vs. Experience Duel!
The series is now tied at 3 wins apiece for each side.

GREEN SCENE

Shannon Watson, CGC Superintendent

Summer has once again officially arrived with the passing of Memorial Day. May was for the most part cool and wet but had some higher heat and humidity levels towards the middle of the month. The extended forecast has our area in the above normal range for summer temperatures. We can only hope that precipitation begins to ease up, so our staff can stop playing catch up and settle into our normal maintenance schedule.

Our monthly summer venting process to the greens was completed on the 31st of May. The process went well. The process of venting the greens is crucial for the summer health of the bentgrass turf. The solid tines used, make small holes in the greens that allow carbon dioxide to escape the rootzone and water and oxygen to enter. During periods of warm, humid, and wet weather, like we are prone to having in western Kentucky, it is critical for us to be able to let the turf "breathe". The result will be a healthier stand of turf that can tolerate brutal summer conditions. We also will be applying wetting agents to the greens every two weeks to help with even water distribution in the rootzone. The wetting agents along with weekly topdressing should keep the surface firm and smooth. The fans will be turned on soon to ensure that

the microclimates on a few of the greens do not hurt the bentgrass quality on the putting surfaces.

The light switch on the growth of the warm season turf has been turned on. The zoysiagrass turf is now growing. The cool, wet spring and general lack of sunlight has not allowed the warm season turf to grow to its potential. Our plan is to fertilize the fairways and tees. We also will be using a growth regulator on the fairways to allow some of the drain ways to recover by encouraging lateral growth. Since the weather looks like it is going to finally cooperate, and we will be busy over the next couple weeks finishing spraying the rough, tee banks, bunkers, and green surrounds for unwanted weeds. As well, we hope to get into our routine mowing schedule. The course should come around quickly, without having rain interrupting working days! The short game area is coming along nicely and should be opening soon. The zoysiagrass is setting good roots and will start to get better turf density as the temperatures rise and stay consistent. The sod work completed on number 8 should come in fast as well. In the coming month, we will be adding more landscape plants, finishing the clay courts, and working on more tree issues around the course.

The staff is still learning and working very hard to make up for the lost time due to the wet Spring. We will be pushing forward to make sure the course is in the best shape possible for daily play and the Member/Guest at the end of the month.

Short Game Area Opening Soon!

AROUND THE CLUB

Whitney Stone-Leyhue, Dining Supervisor
& Event Coordinator

June tried her best to sneak up on us but here at CCP we were so ready for the summer events to kick up that we plan to hit the ground running!

We kick off the summer events with **Milkshake Mayhem** poolside, this fun summer pool activity was enjoyed by adults & parents alike in 2021. Featuring two milkshake flavors and a full toppings bar and boozy selections for adults to indulge in as well. That night we will keep the party going with our **CCP Concert Series: Tapas on the Terrace featuring Kayla Little**. This will be Kayla's first performance at the Club and she is very excited to perform while you enjoy tapas (small plates) and cocktail specials. Our **All-American Breakfast Buffets** will be available on the first and second Sundays of the month along with our Bar Bites Menu for quick and easy service whether you are enjoying family time in the dining room or on the golf course. **LNO National Best Friends Day** is fast approaching and what better way to commemorate friendship than enjoying appetizers, cocktails and commemorating with a photo booth? We will be hosting a second round of **Spring Family Photo Shoots** with Rachele Faye Hofer. This is a quick, easy and painless option for those families with little ones who have short time spans. This will be our 4th round of on-course photos with Rachele and the families are always so surprised with how fast and enjoyable the whole experience is. We conclude the month with our **Last Sunday Brunch Buffet** and Chef Wade continues to go above and beyond with these offerings. Make sure you don't miss this month's delicious brunch buffet. We are also very excited for our

IN THE KITCHEN

Wade Simpson, Executive Chef

It is a great pleasure to be here at Country Club of Paducah and I am enjoying working with the incredible staff and membership. I am finding my way around and many know we have started a new Menu for the summer months. It seems to be going very well and many options are being purchased. The staff has worked hard to make sure we are lifting the quality and I am being very conscious of our purchasing.

With that in mind I have reestablished our relationship with Bennett Farms, Patty and I are talking about other local products we can buy as well. Great way for us to help the local economy and recourses in our Clubhouse.

Pool Party Packages to be returning for 2022. We have taken all the stress out of summer birthdays with this great offering, see flyer for full details.

To conclude my article, I would like to remind members that your early RSVPs are what make our events great. Advanced RSVPs allow me to order products and décor geared towards your event and the more RSVPs I have, the more over-the-top our events can become. It seems that we have been cancelling a significant amount of events due to low participation and I would hate for this to become a trend.

As always, feel free to reach out regarding all of your banquet & event needs!

Pool is open and I feel confident we will be able to build around the area. We started off with a simple approach and hope to build it up as we go. It is a small area to work with in and we will do our best to give you the best service possible.

Enjoy your Club and I will try to be visible often. I am happy to share conversations on suggestions and how we can best fit the needs of the membership. I appreciate being of service to you.
