# President's Message

KRISTA LEA

Hello CCP Membership,

Summer is winding down, and it was certainly a great one at the Club. I know my family is starting to fall back into a nice routine now that school is in session. Thank you to our wonderful staff that made it possible. Although summer will officially be over soon, there is still more fun on the way from racquets and golf. Be on the lookout for upcoming events from these programs.

Football season is here, and I have some exciting news. The Club now has a subscription to NFL Sunday Ticket. This will be a great addition to our Sports Bar, so I hope you will plan to spend some Sundays at the Club.

Beginning work has started on the tennis bubble. You may see lifts and workers on the roof of the bubble for the next few weeks. Although this will likely cause some noise inside the bubble, it will not cause closure for play.

I hope everyone has a fun and safe Labor Day! As always, thank you for your continued membership and support. If you have any questions or concerns, do not hesitate to contact me.

Krista

# General Manager's Message

MICHAEL METHOT, CCM

Once school resumed, the volume at the pool dwindled, however, we had a great stretch of weather for those still interested in taking in a few last-minute visits! This past weekend brought much excitement with the PGA Tour Championship and Football commencing, which also means fall is right around the corner. Although pool season will be wrapping up, we have a lot of fun events and activities for you to take advantage of this month and beyond.

**Last Splash Labor Day Bash** - There is only one full-service (long) pool weekend remaining, so I hope you find some time to enjoy it at the Club. We will be hosting both the *Closest to the Pin Golf Tournament* and *Labor Day BBQ* on Monday, September 5, so I encourage you and your families to participate! Please note, dinner service will not be available that evening and the clubhouse will be closed on Tuesday, September 6.

The 2022 Pool Season was a massive success under the tutelage of first-year Pool Manager, Halle Harned, and her efforts were certainly noticed. We hired an entirely new staff sans a few returners from the 2021 season, and they certainly provided a much-improved level of service and professionalism.

As you begin planning for fall, be sure to add these highlights to your calendar:

**New Member Mixer – Thursday, September 22** - Semi-annually we bring both new and tenured members alike together for conversation, comradery, and connection! Beginning at 5:00pm, this is a great opportunity for the membership to come together. Snacks and socialization will be the highlight while beverages by signature will be offered. So, whether you joined in the last week, month, or decade, we encourage you to attend. It's great to see many friendships formed since we started hosting these, and I look forward to seeing more blossom.

**Fall Wine Dinner – Thursday, October 20** - Call your friends and plan to spend a magical evening at the Club swirling delicious wines and savoring mouthwatering plates! This will be Chef Wade's first of many Wine Dinners at the Club and we will surely sell out, so reserve your spot today. Space is limited to the first 40 registrants and the cost is \$95 per person. Festivities will begin at 6:00pm and we are partnering with Luke Taylor from Southern Glazer's Wine & Spirits for this annual occasion. Please specify when making reservations if you wish to be seated with other members. If not, we will attempt to put together communal tables of either 6 or 8 people.

**It's Turkey Time – Thursday, November 24** - Reservations will soon be accepted for one of the most coveted affairs of the year, so plan accordingly. Whether you are welcoming your parents or in-laws from out of town or your sibling from the next county over, leave the cooking and clean-up to us on this special day. Tryptophan, a precursor to melatonin, may have you wanting a nap after you leave, but don't wait until it's too late to get your preferred time slot.

In closing, I hope you think about the club when planning family or hallmark celebrations, as well as for all your holiday workplace functions. Believe it or not, several members have already begun planning their events and we are happy with the traction to date. New this year, we will be launching a Holiday Celebrations Guide to aid your planning efforts. The first step will be to check availability and as the window nears closer, you can firm up food selections and logistics. We hope to make it a seamless process for you!

## KEEPING YOU INFORMED...

As of recently, there have been a few infractions, so we want to reiterate the current policies:

**Hats, Caps and Visors (for both Men and Ladies):** must be removed when dining in the Kentucky Room and when indoors, they must be worn in the front facing position. They are permitted in the Family Room and on both the upper and lower terraces. It is recommended that they be removed when entering the Clubhouse except for formal hats worn by women.

**Smoking/Vaping Policy:** smoking and/or vaping is prohibited inside any of the Club's buildings in accordance with state law. Smoking is permitted in designated areas and must be at least 15 feet away from any entryway. Additionally, smoking is prohibited on both the upper and lower dining areas as well as inside the pool gates and immediate surroundings.

## Off The Tee

Chad Martin, PGA Director of Golf

As fall rolls in, so do the new fall fashions. We are currently running some great sales to move through what is left of our summer inventory, so please stop by the Golf Shop, and take advantage of some great savings. The Golf Shop is currently receiving our fall shipments from Straight Down, Johnnie-O, 7 Diamonds, Swannies, Levelwear, and Sun Mountain. We will also have accessories from G/Fore, Custom blankets from the David Smith, Co., and G-Tech heated handwarmers. Please come by and get the first choice on all our great fall merchandise.

Lastly, I would like to extend a big THANK YOU to my professional staff, Michael Brown and Gabe Wheeler, for their professionalism and dedication that has greatly helped to get us through another busy season here at CCP. Their effort and commitment to our club and membership is truly appreciated. Also Mr. Wes Belt, Ms. Tylee Hawes, Ms. Emma Watson, and Ms. Madison Mitchell deserve a big THANK YOU for stepping up and helping in the Golf Shop and outside when needed. Emma and Tylee are off to college, but you will still see a bit of Wes and Madison as they are in school at the Murray State Paducah campus.

## Green Scene

Shannon Watson, CGC Superintendent

September is the transition month between summer and fall in the Midwest. The Turf Care Center staff is happy that the heat has somewhat broken, and we are moving into Fall. In September, the warm season turf growth will slow as the nights become cooler and the days shorten. The bentgrass on the greens will begin to put off new roots and will not need as much intensive management because of heat. We as a staff will be able to move on to other maintenance tasks that have been put off playing defense against the heat of summer. The greens were aerated with 3/8" hollow tines, the second to last week of August and are recovering. We will be applying a growth regulator two to three times this fall. The growth regulator is very hard on any new poa plants that germinate and dramatically reduces the growth of any existing plants. The regulator gives the advantage from a growth standpoint to the bentgrass. As we move into Fall, the combination of new seedlings, nutrition, and growth regulation should make the greens even better!

We have a fair amount of work to get accomplished over the next month on course. We are preparing for our fall overseed next to the cart paths. The process should begin around the middle of the month. We will grind and backfill stump holes and lay a load of sod in the areas of the fairways that are thin due to the tree roots, lack of sunlight, and the drought. We must edge all the bunkers. Additionally, we have quite a bit of spraying to do. We will be spraying the tee complexes and collars with a couple post emergence herbicides and a preemergent for poa and winter annual weeds. We will be spraying herbicides for bermudagrass control, broadleaf's and preemergence in the fairways. We also will be applying potash and soil amendments to all the warm season surfaces to prepare them for dormancy later in the fall. More items that need accomplished are more dead tree removals and pruning of trees along fairways. We also would like to start filling in random holes that are out in the rough that need attention, as well as fix any drainage grate erosion. I really get excited about the fall because we can start focusing in on improvements!

We hope that everyone has enjoyed the golfing season this year and remember that fall is the best time to come out and enjoy the course!

## 2022 Club Champions!

Congratulations to Hunter Ford, Men's Club Champion and Pam Trimble, Ladies Club Champion.

# CCP Calendar of Events

## September & October 2022

### SEPTEMBER

#### September 5 (Monday)

- \* Labor Day Luau
- \* Pool Closed for Season
- \* Labor Day Golf Tournament

#### September 6 (Tuesday)

- \* Clubhouse Closed

Wednesdays @ 6:00pm)

**Ladies "In the House" League**  
Tuesdays @ 9:00am

**Men's Night**  
Thursdays @ 6:00pm

**Cardio Tennis**  
Saturdays @ 9:00am

## Around the Club

Whitney Stone-Leyhue, Event Coordinator

Summer is wrapping up and my favorite season is on it's way. Here at CCP we are still going strong with summer events for the whole family. We kick off the month with our last **Milkshake Mayhem** poolside featuring 2 milkshake flavors with a full toppings bar and boozy additions for the adults as well. Our **Brunch Buffet is now available every Sunday** and the positive response from our membership has been overwhelming. We will be taking RSVPs for our **Grandparent's Day Brunch** and we can't wait to see all the families who choose to celebrate the holiday at CCP. Our **Labor Day Luau** celebration should be a blast with DJ Corndog, inflatables and a full buffet with cocktail specials all day. Our **New Member Mixer** is open to all of our members and gives our management team an opportunity to connect with our membership. We love discussing how you can best utilize the Club and its array of offerings. Our **Ladies Night Out - Fall Event** will feature all of your fall food & cocktail favorites, décor and a few activities, this is a LNO that you don't want to miss!

Check out our flyers posted around the Club, on Facebook, Instagram and our CCP app for full details. We look forward to seeing you at all the fun events we have planned. To conclude my article I would like to remind members that your **early RSVPs are what make our events great**. Advanced RSVPs allow me to order products and décor geared towards your event and the more RSVPs I have, the more over-the-top our events can become. It seems that we have been cancelling a significant amount of events due to low participation and I would hate for this to become a trend. As always, feel free to reach out regarding all of your banquet & event needs!

## In the Kitchen

Wade Simpson, Executive Chef

It's been a wonderful summer and as I reflect, I'll be approaching my first Labor Day here at the Club. Fall is on its way and with the leaves changing, so does our flavors and the foods we desire. I always enjoy how the seasons change the way our bodies natural needs for foods evolve. We will feature more comfort selections as the colder temperatures come our way but for now, I invite you to savor the wonderful flavors of Fall.

I enjoy preparing rotating selections for the membership each Saturday for our Grab 'N Go Grill Out and we will continue this offering until temperatures and demand warrants. If you haven't indulged yet, be sure to stop by the turn beginning at 10:30am for my weekly creation.

## At the Table

Jessica Hughes, Assistant Manager

Believe it or not, August is one of my least, but favorite months of the year. As a mother of four with ages ranging from 14 - 22 years old and being a new member of senior management starting in August, the combination of both school starting and beginning this new and exciting career at CCP has made the month fly by. As the Assistant Manager of the Club, and the Food and Beverage Manager, I am elated to see not only the changes that we are implementing, but where we are heading. I am a massive believer in progressively implementing positive change, and changes are being made in both front of house and back of house, many to capitalize on the phenomenal structure that already been made. It has been a fluid and inviting process.

We have several new and exciting things happening in the dining area. One being the revamp of the wine list. As a self-proclaimed wine connoisseur, and with an 18-year experience in selecting and ordering wine for multiple businesses, including my own, I am pleased to announce that we will be selecting a brand-new wine list from my personal, and thoroughly researched selections along with slimming down the wine list to enable us to provide the highest quality at the most efficient price for the Club.

How do I personally select wine, you ask? Extensive research and experience. I know that the time to harvest is a fundamental factor for wine quality. Conversely, the way that grapes are grown (viticulture) and how they subsequently made into the wine (vinification) are the two main factors that affect the quality in wine. Include the six characteristics of balance, intensity of flavors, complexity, clarity, typicity length of finish, and the price. Finally, the requests of members and both the monthly and quarterly sales highly influenced which direction to head with my selections. Thank you to those who have reached out with their suggestions. Your thoughts and feelings are always important and taken highly into consideration!

Lastly, I would like to say a big thank you to those that have taken the time to welcome me to this beautiful club and I deeply apologize to those that I haven't made my way to introducing myself to you. My intention is to always make the members of the utmost importance and to not only meet your needs but to surpass all that you may have. I am elated to continue to meet more of our members, but to also be able to build an amazing rapport with all of you. I am always available for anything that you need and will always continue to be so.

# On the Court & In the Gym

Oscar Imhof, Director of Racquets

## FACILITY UPGRADES

I am very excited to share some of the improvements made to our racquets' facility. Our new ice and water machine has been installed. Located conveniently in the bubble next to the restroom, it guarantees nugget ice and cold water for our members to enjoy anytime.

## JUNIOR TENNIS

Our Junior Programs have started! We have programs for all ages and skill levels.

**ACADEMY** (Intermediate & Advanced)  
Tuesdays & Thursdays 3:30pm-5:00pm

**CHAMPIONS** (Ages 8 & Up)  
Tuesdays & Thursdays 5:00pm-6:00pm

**ACES** (Ages 6 & Up) Wednesdays 4:00pm-5:00pm

**JR ACES** (Ages 4 & Up) Wednesdays 5:00pm-6:00pm

We will also be offering our first **"Match Play Day"** of the season on September 10th at 1:00pm. This has been an event our juniors really enjoyed. It is a great way to create healthy competition for the advanced players, as well as great way to learn to play matches for the intermediate players.

Lastly, on September 16th from 6:00pm-9:30pm we will be offering **'Parents' Night Out'**. This program is designed for parents looking to have an adult night out and want to make sure their kids are taken care of while having fun. Activities such as tennis, dodgeball, musical chairs, arts & craft, and more will be offered, as well as dinner being provided.

## ADULT TENNIS

Our Adult "walk-in" clinics will continue through the fall. These clinics are a lot of fun. We work on court positioning, strategy, and technique, in a fun atmosphere while getting great exercise. Our adults' clinics also do not require registration, making it very convenient for you to attend! Lastly, I wanted to emphasize our Cardio Clinic on Saturday at 9:00am is a coed clinic. Would love to get more ladies attending this clinic.

On September 9th, we will be hosting our **"Back to School" LADIES BRUNCH & TENNIS**. This morning event will start at 9:00am and will consist of ladies' doubles matches, breakfast, mimosas, music, and prizes! This event requires single registration, as players will be paired up with multiple partners. It is also a great "warm up" day for our **LADIES "IN HOUSE" TENNIS LEAGUE** which will start the following Wednesday, September 14th. We have had great participation in the past; and my goal is to pack all the courts! Contact me to register or any questions you may have!

Lastly, our **FALL TENNIS MIXER**, will take place on September 24th at 4:00pm. This is a coed event in which doubles clinic games will be played. It will be followed by food, drinks, and prizes for the winning team. This event requires single registration, as players will have different teammates throughout the day.

## PICKLEBALL

Our **OPEN PLAY PICKLEBALL** will switch from Mondays to Wednesdays starting September 14th. Having "open play" pickleball on Wednesday, once men's golf is over, will allow our members to dine at the Club afterwards. We will still meet at 6:00pm. These are fun "round robin" games that provides fun competition and great exercise.

If you thought about joining "open play" pickleball but you fear you are not quite ready, we will be offering our 2nd **Introduction to Pickleball** on September 6th from 6:00pm-7:15pm. In this clinic you will learn all the basics of the game from scoring, court positioning and basic strokes. By the end of clinic, you will be able to play a match, while socializing, exercising, and having fun. We also have all the equipment needed to participate!

For any inquiry about any of our programming, registering for events, or anything related to my department, please do hesitate to contact me at [oimhof@ccofpaducah.com](mailto:oimhof@ccofpaducah.com) or call (985) 951-0209.
